REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The art of record fail to teach or suggest a clamp having a pair of clamping members each having opposed ends and each of said ends having a passage extending along the width of said ends and a pair of u-shaped pins substantially u-shaped and adapted to frictionally fit into said passages to apply a predetermined clamping force to a penis to prevent passage of urine therethrough.

For these reasons, the claims are believed to be allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
